# The Paths We Choose

**From the editors:**

**All things change with time, and so do the yearbooks we publish. We have all worked hard to publish a full color yearbook, a first at Bay Path. We hope you enjoy this edition and treasure it as much as we will. As seniors, we will be following our chosen paths Bay Path has prepared us for. This book represents not only our final journey but a continuing journey for some and a new beginning for others.**

On behalf of the Faculty, Administration, and School Committee, congratulations on completing your High School years at Bay Path Regional Vocational Technical High School. The education you received should serve you well in the future. Please remember, there is no substitute for hard work and dedication. Your future success will depend on your willingness to apply all that you have learned.

Although most of you have been at Bay Path for four years, please do not consider this a short time as your last year spent in formal education. Many of you must realize you have an abundance of talent which could be further developed to maximize your full potential. Consider continuing in education beyond Bay Path on a full or part time basis at a local college or four year institution.

As a vocational graduate you have the best of two worlds, a vocational skill and an academic diploma which will enable you to grow within your vocational area or profession. Society will depend upon your skill as a vocational technical graduate. Participate in community activities and take an active role in society.

Once again, congratulations and best wishes for future success!

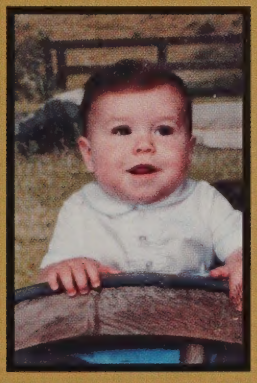
Carisa,

You have grown into a beautiful young lady. We are all so proud of you. It is time to follow your dreams and let nothing stand in your way.
Lots of love,

Mom, Chris, Cody, Colton, Grandpa, Mimi, Papa, Aunty, Ger, Uncle Ted, Jake and Grandma Fran

Congratulation Joshua!
It seems like yesterday yo graduated from Pre-School.

Best Wishes and All Our Love,
Mom and Dad



Shane,

You were such a busy little boy! Being the third child you wanted to do everything the big kids were doing, you worked so hard to keep up. You ran before you walked, played video games when you were very young, to keep up with your brother Dave, (you were pretty good at them too). Then there was school, the first 6 years were a struggle, but you worked hard. You started AMS in the 7th grade and it was like watching a flower blossom in the springtime, you became much happier, much more confident, and not so shy, school then became fun. Then Bay Path: You made the honor Roll, you were Student of the Month, and I heard wonderful comments about you at all the parents nights. Your Culinary Arts teachers adored you, I remember Mrs. Maywalt often saying, "Shane, that's my boy! What a great kid!". I'll never forget coming to Hillside Restaurant for lunch, it was a pleasure to see you enjoying your work so much.

Shane, you're our first child to go to college! Johnson and Wales, what an honor, for you and for us! We are so very proud of you! You're such a wonderful young man! You've seen the results of hard work through your lifetime. Reach for the stars, Shane, and make your dreams come true. We know you can do it!
Congratulations!
May the years ahead of you be a Dream Come True!!
Love, J.B.
Love, Mom and Dad, Wayne, Fawn and Dessie, Jennie, Nana, and in loving memory, Grandpa, Meme and Pepe
p.s. I wish you the best that life has to offer! (Maybe someday, I'll be eating in your restaurant!) Love, Mom

Jamielee,

You made us proud then. You made us proud now. Keep up the good work.
Love, Mom and Dad

Do not follow where the path may lead. Go, instead, where there is no path and leave a trail. ~Ralph Waldo Emerson

John,

Never lose sight of your goals. Remember, life is full of surprises. You never know what's around the corner. We'll always be there.

Love, Mom, Dad, Steven and Scott

Amanda Gingras,

We were there to hold you when you were born and have watched you grow into a beautiful woman. Gram and papa are very proud of you. We will always treasure our time with you and our walks on the beach in Ocean park, Maine, Trip to Disney World, dancing, recitals, soccer games, gymnastics, worship at the first congregational church in oxford and our heart to heart talks. We will always remember watching you pulling the driveway yelling "I did it, I got my license". Now we will be there as you graduate from high school. We are very excited for you as you reach this milestone in your life. You know that we are always here for you. May God continue to bless you now and always.

## Septic System Maintenance

Cesspools and septic systems have been known, with proper maintenance, to perform effectively for many years. The accumulated solids in the septic tank or cesspool should be pumped out to prolong the life of your system.

Your on-site disposal system is just as important to you as your furnace. A new system of any type, or repairs to the old one is costly. Cost variation is due to the type of failure, soil conditions, water table and lot size. Proper maintenance is the least expensive method.

Sludge and scum that accumulates in the tank must be removed! There is no additive that can be added to the tank to make it go away.
